WHO RECEIVES MY AP GRADE REPORT? HOW CAN I HAVE A COPY SENT TO A COLLEGE?

AP Grade Reports (transcripts) include final grades for all AP Exams ever taken. A copy of the report is automatically sent to you, the college(s) you designated on your answer sheet, and your school. Transcripts are typically mailed the July following each exam.

If you would like a grade report sent to an additional college, or if you did not specify a college to receive your grade report at the time of testing, you can contact AP Services to request delivery of additional grade reports. Requests generally take one week to process from the date they are received and cost \$15 per report. Rush reports are processed within 2 working days and are available for \$25 per report. COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

The University awards credit for satisfactory scores on many of the Subject Examinations offered through the CLEP program. Only freshman and sophomore students are eligible to take CLEP exams without prior permission from a department chair or school dean. Juniors and students who have attained senior standing may attempt CLEP exams but first must obtain written permission from the department chair or dean of the school of the discipline in which a particular exam is offered. Normally, seniors during the semester prior to their graduation will not be allowed to attempt CLEP exams. No graduating senior will be allowed to attempt CLEP exams after the deadline for applying for graduation. CLEP exams can be taken at the Office of Counseling and Testing at FMU (843-661-1840). The chart below explains how the test scores will be evaluated for credit at FMU.
