Welcome to the Francis Marion University admissions experience! We are here to assist you in making the right college choice. Thank you for putting FMU on your radar. Please do yourself a favor and come for a visit. Colleges have personalities, just like you and we want you to see what we are all about! There are many things to consider: academics, faculty commitment, student life, athletics, residence halls, campus safety, and location. We offer campus tours Monday through Friday and on select Saturdays (by appointment).

If you'd like a different visit experience then you should consider attending one of our Saturday Open House events. Dates and the Registration Form are provided, just click the Open House link below!

Admissions applications are reviewed on a rolling basis. Once the proper materials have been received we'll make a decision within a week. It's fast, it's easy and surprisingly painless! Please feel welcome to contact me or any member of the Admissions staff if you have any questions. We'll see you on campus!
