Student Life is a combination of departments, offices, and programs designed for students, for the benefits of students to enhance the overall collegiate experience. At FMU, students have an opportunity to grow in the classroom as scholars and outside the classroom as leaders as well as active participants in our intellectual community.

The policies, procedures, and regulations described throughout the website are in place to provide guidance, support, and direction to better assist students in maneuvering within our community with an assurance of know-how and provide instances for critical thinking.

Should you need assistance or have questions, please do not hesitate to contact the Student Affairs Office at 843-661-1182 or email at FMUStudentAffairs@fmarion.edu.
