By signing below I am stating that I understand that:

The *Enhancement* scholarship is awarded in addition to the LIFE or Palmetto Fellows scholarships.

Eligibility for the LIFE or Palmetto Fellows scholarship does <u>NOT</u> guarantee eligibility for the *Enhancement* scholarship. The *Enhancement* scholarship is a separate scholarship from LIFE and Palmetto Fellows scholarships and, therefore, has different eligibility requirements.

Eligible majors and criteria for the *Enhancement* scholarship are determined by the Commission on Higher Education and are subject to change.

If, at any point during the year, it is determined that I am not making significant progress toward earning a degree in my declared major my *Enhancement* scholarship may be deleted and <u>I will be responsible for the balance due the University</u>.

If for any reason it is determined that I no longer meet the eligibility requirements, <u>I will be responsible for the balance due the University</u>.

Regulations, eligibility requirements, and award amounts are subject to change based on directives from the Commission on Higher Education. The *Enhancement* scholarship is based upon the availability of funds to be appropriated for the program.
