Hi Derek,

Yes, I have attached a copy of the MOU without signatures for your current needs. We have routed the originals for signature, but this is a slow process on our end.

Thanks for your patience, Karen

Hi Karen,

I wanted to follow-up on this MOA. If possible, we would like a copy of the MOA without signatures. We're facing a deadline for our SACS Compliance Report, and the pending MOA is a supporting document we wish to include.

Thanks again,
Derek
