

April 18, 2017

Dear Colleagues,

The material for the 2016-2017 academic year evaluations of academic administrators is enclosed.

Each dean/chair, the Provost, and the President will receive summary statistics of his/her respective ratings. Your written or typed comments will be sent directly to the administrator. You may write or print comments on the back of the sheet with the evaluation items for the respective administrator. If you prefer to put them into an envelope with the administrator's code written on the outside, the sealed envelope will be sent directly to the administrator. The summary statistics of the ratings for each administrator will also be sent to the person who completes the formal annual evaluation for each office (i.e., deans/chairs to the Provost; Provost to the President; President to the Board of Trustees chair). In addition, the summary statistics for each administrator will be sent to the Provost's office, as well

This packet should contain the following items:

- Sheets with the evaluation items for chairs/deans, Provost, and President.
- Three answer sheets for an optical scanner—Use a #2 black lead pencil to mark these forms following the instructions at the end of this letter. (If you are a dean or chair, your packet will include only forms for evaluating the Provost and President.)
