- III. Old Business: There was none.
- IV. New Business: How many withdrawals would a graduate student be allowed before being dismissed from the University.

After much discussion it was concluded that after three consecutive semesters a graduate student would be dismissed from the University. It was suggested by Dr. Waters that we need to discuss withdrawals and being dismissed with our Provost, Dr. Peter King. With that being said they are to meet with the Provost to get his opinion on the matter. There was no further discussion on this matter and it is to be concluded at our next GC meeting.

- V. Adjournment: The GC meeting was adjourned at 4:20 p.m. Our next GC meeting will be held in the President's Board Room on Tuesday, September 27, 2016 at 3:45pm unless otherwise notified.

Humbly submitted,
