**Subject:** Re: Dual Degree in Engineering with Clemson - Memorandum of Understanding

Peter,

Earlier today, I arranged the following with Karen:

Tomorrow I am to email Karen a revised list of our signatories (Carter, Kennedy, King, Jokisch). She will update the MOA and send it to me via email. I will print 2 hard copies and obtain FMU signatures, then mail both hard copies to Karen to get Clemson signatures.

Let me know if you prefer a different process.

Are you aware of any substantive changes that need to be made to the document?

Thanks,  
Derek

Derek,

I have a copy of the old agreement in a PDF form. I will update it and send it to you for review before we sign it.

Peter
