\*Students will be placed in MATH 202 and receive credit for MATH 201 after successful completion of MATH 202 with a grade of C or higher.

\*\*Students will be placed in MATH 203 and receive credit for MATH 201 and 202 after successful completion of MATH 203 with a grade of C or higher.

## ADVANCED PLACEMENT EXAMS ADMINISTERED BY FMU

**English Composition Examinations** – Students admitted into Francis Marion University will complete a process of directed self-placement (DSP) to choose between English 101 or the extended version of English 101 (English 101E plus English 101L). Students will complete the DSP questionnaire found on the English Department's website ([www.fmuenglish.com](http://www.fmuenglish.com)), and then, if needed, will work with their advisers or the Composition Coordinator to determine which course is better suited for their writing skills. Students may arrange to take the ACCUPLACER test through the Office of Counseling and Testing (843-661-1840). Students with advanced competencies will be advised to enroll in English 101 if they receive a score of 103 or higher on the ACCUPLACER. Students may receive credit for freshman English courses through Advanced Placement or Dual Enrollment credit.

**Foreign Language Credit** – FMU uses the College Level Examination Program (CLEP) to determine eligibility for advanced placement and exemption credit in modern languages. For those who wish to start above the 101 level, the CLEP exam must be taken prior to beginning the language sequence at FMU. The Office of Counseling and Testing administers CLEP exams. For more information or to schedule an appointment, please call 843-661-1840.

## TRANSFER CREDIT

Transcripts of students transferring from another institution are evaluated in the Registrar's Office, and the results are provided to the applicant. Determining the applicability of transferred credits to major requirements is the responsibility of the Registrar's Office.

Credit may be allowed for courses that are appropriate to the curriculum in which the student is admitted. Courses passed with a grade of D or its equivalent are not transferable and are not used in computing a student's grade point average except for specific courses taken in approved fourth-year cooperative programs. All transfer credit must have been completed at a regionally accredited institution. No credit is awarded for coursework taken on a non-credit basis, even non-credit courses completed at regionally accredited institutions. Transfer students are cautioned that a course, though acceptable for transfer, may not necessarily be applicable to a specific Francis Marion major, program, or degree. No more than 76 semester hours of credit may be accepted from institutions accredited as junior colleges or two-year institutions. No credit will be transferred for courses taught on a pass/fail or satisfactory/unsatisfactory grading scale. In order to complete requirements for an undergraduate degree, a transfer student must earn at least 25% of the required semester hours for that degree in residence at FMU (including a minimum of 12 semester hours above 299 in the student's major).

## INTERNATIONAL BACCALAUREATE

To assist you in reaching your academic goals, FMU awards college course credit for satisfactory scores on higher level International Baccalaureate (IB) examinations. Students who have completed courses and the tests in the International Baccalaureate Program must have their scores sent to the Office of Counseling and Testing at FMU for evaluation. The chart below explains how the tests will be evaluated in terms of credit at FMU. The official FMU transcript will reflect the credit awarded to the student.

I.B. Exam	Score	Course allowed toward degree	Credits
Higher Level			
Biology	4	Biology 104	4
Biology	5	Biology 105	4
Biology	6, 7	Biology 105, 106	8
