The Francis Marion Transfer Credit Guide serves to help prospective students understand what courses are considered transferable to FMU from any of the 16 South Carolina Technical Colleges. All transferable coursework is listed in the Statewide Articulation Agreement portion of this document. Dual credit courses taken by high school students are also determined as transferable based on whether or not the coursework taken is included in our Statewide Articulation Agreement. Additionally, we have provided information regarding how AP, IB, and CLEP credit is awarded at FMU.

It is important to note that no more than 76 semester hours of credit may be accepted from institutions accredited as junior colleges or two-year institutions. Additionally, **in order to complete requirements for an undergraduate degree, a transfer student must earn at least 25% of the required semester hours for that degree in residence at FMU** (including a minimum of 12 semester hours above 299 in your major).

Additional questions or concerns regarding the transferability of course work may be directed to the FMU Office of Admissions or Office of the Registrar.
