**GRADE REPORTS**

At the end of each semester and each summer term, grade reports are made available to students. Study of reports is encouraged, and inquiry concerning them is invited.

Faculty members must give students an opportunity to make an informed decision on their academic performance prior to the last date to withdraw without academic penalty. Faculty will receive a class roll prior to the last date for withdrawal to verify those enrolled in and attending the class.

**TRANSCRIPTS**

Official transcripts, those bearing the University seal, will only be issued with the written consent of the student. A transcript will not be released if the student is indebted to the University. Forms for requesting transcripts may be obtained from the Office of the Registrar or through the University's website. A fee of $6.00 must accompany each individual transcript request. The request must be returned to the Office of the Registrar after fee payment is made.

**STUDENT’S EVALUATION OF COURSE & INSTRUCTOR**

Every semester students are provided the opportunity to evaluate each course and its instructor so that educational quality may be maintained and enhanced. All students are encouraged to respond to the evaluation with honesty, sincerity, and a sense of confidentiality.

The evaluation is administered during class with the instructor leaving the room while a designated student hands out forms, collects forms, and then delivers the completed forms to the appropriate administrative assistant. These evaluations are completely anonymous, and faculty members do not receive any feedback until grades have been turned in to the Registrar.

Upon noting that these procedures of evaluation have not been followed, a student may contact the Office of the Provost in order to confidentially inform the administration of such failure to follow procedures.
