Subject: IT Committee: Call for Proposals
Attachments: IT Grant Application 2016_17.pdf

Hi everyone,

The IT committee is soliciting applications from the faculty for IT grants. Please review the attached guidelines for grant submission (which should look similar to recent years), and note the due date of Monday, December 5, 2016. The application form and narrative proposal will be accepted electronically (scanned after acquiring signatures, and emailed to me: gbryngelson@fmarion.edu), or physical copies can be sent to my office (LSF 103H). We expect to announce award decisions in the early Spring Semester.

Please do not hesitate to contact me, or any of the committee members with any questions you might have. The members of the IT committee are:

Charles Jeffcoat
Nathan Flowers
Ginger Bryngelson, Chair
Caroliniana Padgett
Jessica Burke
Justin Yates
Justin Sims

All the best,
Ginger

Ginger Bryngelson, Ph.D.
Assistant Professor of Physics
Physics & Astronomy
Francis Marion University
