## Guidelines

- Booths must focus on at least one specific culture or country.
- The booth must be manned at all times by someone knowledgeable about the culture and/or country on display.
- All storage containers, boxes, etc. must be stored out of sight to create a neat and orderly display.
- Vehicles must be off the grounds and in the parking lot by 9:00am.
- Booths must be completed set up by 9:45am. The Festival Committee retains the right to dismantle any booths not set up in time. Booths must remain set up until the conclusion of the festival at 5:00pm.

I have read the above guidelines and understand them. I agree to adhere to each of the above specifications.
