

CHARTERING

CHARTERING A NEW ORGANIZATION

Chartering is a process for new organizations that have not previously existed at Francis Marion University. All new organizations must apply for a charter and be approved before proceeding as an organization.

The following are the steps for chartering a new organization at FMU:

1. Schedule a meeting with the Student Life Specialist for Student Development (Andy "Fisher" Matthews).
2. All information regarding the potential organization must be submitted to the Office of Student Life along with a list of seven (7) proposed members of the organization.
3. Each proposed member must provide their name, Student ID number, and student email address. (Please note that student ID numbers are for internal use only and will not be shared information. The student ID is **not** the social security number.)
4. Upon approval, the student organization will receive official notice from the Office of Student Life and the organization may begin acting as a registered student organization with all privileges.
5. The new organization must complete the online Student Organization Registration for the new academic year and submit the completed form to the Office of Student Life.
