

Francis Marion University Dual Enrollment – The Continuum

Francis Marion University offers Dual Enrollment courses both in-person at the Continuum and online to eligible students from partnering high schools. Students wishing to participate in dual enrollment courses through FMU should be juniors or seniors, have a cumulative GPA of 3.0 or higher, and receive school permission to participate in the courses. Students may take up to four (4) courses per semester.

Application Process:

Current Students: Students currently enrolled for Spring 2022 do not need to reapply, but must submit a new transcript.

New Students: Students wishing to take courses in Fall 2022 should following the directions below to apply.

1. Complete the application for admission online at www.fmarion.edu/applynow. Click on “Dual Enrollment Application.”
2. Submit high school transcript with current class schedule along with ACT/SAT test scores (if available) to dualenrollment@fmarion.edu.
3. Provide proof of residency (SC Driver’s License, Birth Certificate, or Passport) to dualenrollment@fmarion.edu.

Registration Process:

To register for courses, students should meet with their school counselor or dual enrollment contact at their high school to discuss courses. Once courses have been determined, the school will notify FMU to register the student for the approved course(s).

Fall 2022 registration begins on March 28th. Courses are filled on a first-come, first-served basis. Students are encouraged to register early.

Fall 2022 Course Offerings

Courses offered in-person at the Continuum meet twice/week on Monday/Wednesday or Tuesday/Thursday from 8:30-9:45 and 10:00-11:15am. Labs for biology and chemistry meet once/week from 8:30-11:15 on Thursday or Friday. The detailed schedule will be available in mid-March. Some courses are available only online as noted below. Online only courses are asynchronous.
