Director's Note:

Welcome to the world of Jules Feiffer. This evening's production is a series of brief sketches, which take a somewhat satirical look at life. The ensemble will play various roles throughout the course of the evening. If you look quickly at these roles, you may see someone you know . . . you may even see yourself.

There will be one 10-minute intermission

*You are invited to purchase a Coke during intermission;
however, please do not bring the drink into the theatre.*

*Because it disturbs the actors and the audience,
please refrain from all types of photography during the production.*
