## What to Expect

Welcome to the Francis Marion University COVID-19 self-screening assessment.

In this pathway, we'll check in with you each day to see if you have any symptoms or risk factors for the COVID-19 virus.

Tracking your symptoms daily can allow for quick detection of illness, and we'll be with you every step of the way.

We'll also remind you to check your symptoms and take our assessment every day.

For any questions, please contact the FMU COVID-19 Response Office by phone at (843) 661-4665 or by email at [covidresponse@fmarion.edu](mailto:covidresponse@fmarion.edu).
