   D. MODIFY on page 83 of the current catalog

      FROM:

      Writing and Language Collateral requires:

      TO:

E. **ADD** on page 83 of the current catalog, after course listings beneath “Writing and Language Collateral requires;”

*Students majoring in the Professional Writing program cannot declare a minor or collateral in Creative Writing or in Writing and Language.*

**Rationale:** Many of the courses students take to complete an English/Professional Writing major are also the courses required or allowed to count in the Creative Writing and in the Writing and Language minors/collaterals, and too much crossover occurs to allow these majors and minors to be reasonably distinct. The asterisks and note at the bottom of the listings of minors/collaterals on pages 82-83 were used to save space and follow the format of what Visual Arts does for a note on one of its minors on page 100 of the current catalog.

2. Proposal from the Gender Studies Committee:

A. **DELETE** on page 178 of the current catalog, from the list of “Courses eligible for the Gender Studies minor and collateral include the following”:

   **Health 301 Health Promotion and the 21st Century**

   and

   **Nursing 210 Women’s Health and Society**

**Rationale:** Health 301 and Nursing 210 are no longer offered with regular frequency at Francis Marion University.
