

## Patriot Portal Setup Instructions

The path to becoming an FMU student and a member of the Patriot community starts with the Patriot Patrol. For security's sake, **initial** access to the Patriot Portal is a two-step process. Once complete, students can access both their FMU G-Mail account and the Patriot Portal using the same username and password.

**Step 1: Create a password for your FMU G-mail account.** An FMU G-mail address has been created for you. Refer to your *FMU Admission Acceptance* letter for your FMU G-mail address (example: john.smith@g.fmarion.edu)

- Go to the FMU Password Manager at <https://tinyurl.com/FMUpassword>.
- Enter your FMU G-Mail user name (example: john.smith).  
*Note: Do **not** include “@g.fmarion.edu” for user name*
- Follow the prompts, which will include answering a few personal questions to assist with validation
- Create a password, using FMU's rules for creating strong passwords:
  - Must have a minimum of 8 characters.
  - Must contain lower case letters
  - Must contain at least one upper case character
  - Must contain at least one number.
  - Must contain at least one special character (*e.g. @#\$%*)
- Once your password is complete and confirmed, proceed to Step 2.

**Step 2: Access the StudentPatriot Portal.**

- Go to <https://patriotportal.ec.fmarion.edu> (Note: A link to the *Patriot Portal* is also available on the FMU website: [www.fmarion.edu](http://www.fmarion.edu))
- Choose FMU Student.
- Log-in to the Patriot Portal using the username (example: john.smith) and password created in **step 1**.

The PatriotPortal provides you with access to information about financial aid, class registration, housing; linksto commonly used FMU websites; and much more. Additional information, specific to you, will arrive through announcements and notices of coming events. The PatriotPortal also offers you an opportunity to personalize your site.
