TOTAL -- 61 SEMESTER HOURS			

¹Clinical Component: All students enrolled in clinical courses must submit proof of American Heart Association -- Basic Life Support (BLS) for Healthcare Providers certification, which covers the entire lifespan from infant to adult. All students are required to provide immunizations, including hepatitis B, as well as proof of health insurance coverage. All students are required to submit to a background check and drug test. All of these items must be completed prior to clinical course enrollment.
