

2nd Degree Pre-Nursing Student Prerequisite Evaluation

Name: _____ ID #: _____

Directions for Use: Enter in your grades for each course and calculate the total quality points you earn. Pre-Nursing students will have all their cumulative and core science GPA's calculated based on this table. If your grade in English 112 was a B+, you would enter a 3.5 into Column 2. When multiplied by 3 credit hours, your total for that course would be 10.5 and would be entered into the 3rd column.

Course Requirement	Hours x Grade	Total:	Notes:
Psychology 334	3x		
Statistics	3x		
Science Elective (Biology or Chemistry)	4x		Must be equivalent to BIO 105 or CHEM 101
★ Human Anatomy	4x		
★ Microbiology	4x		
★ Physiology	4x		
TOTAL	22 hours		

Cumulative GPA: _____ Core Science GPA: _____

Cumulative GPA: Includes all courses listed above for a total of 22 credit hours. The minimum Cumulative GPA requirement to be eligible to apply to the Upper Division Nursing Program is a 3.0. Do not round your GPA calculation.

Core Science GPA: Includes on Anatomy, Microbiology, and Physiology for a total of 12 credit hours. The minimum Core Science GPA requirement to be eligible to apply to the Upper Division Nursing Program is a 2.6 Do not round your GPA calculation.

Note: All general education and nursing requirements must be completed with a C or better. Additional courses on your transcript will not be used in the calculation of your cumulative GPA.

Grade Key: A = 4.0; B+ = 3.5; B = 3.0; C+ = 2.5; C = 2.0
