

Transfer
Credit Guide
2016-2017

**The only journey
is the one within.**
~ Rainer Maria Rilke

The Francis Marion Transfer Credit Guide serves to help prospective students understand what courses are considered transferable to FMU from any of the 16 South Carolina Technical Colleges. All transferable coursework is listed in the Statewide Articulation Agreement portion of this document. Dual credit courses taken by high school students are also determined as transferable based on whether or not the coursework taken is included in our Statewide Articulation Agreement. Additionally, we have provided information regarding how AP, IB, and CLEP credit is awarded at FMU.

It is important to note that no more than 76 semester hours of credit may be accepted from institutions accredited as junior colleges or two-year institutions. Additionally, in order to complete requirements for an undergraduate degree, a transfer student must earn at least 25% of the required semester hours for that degree in residence at FMU (including a minimum of 12 semester hours above 299 in your major).

Additional questions or concerns regarding the transferability of course work may be directed to the FMU Office of Admissions or Office of the Registrar.

State Wide Articulation Agreement

Technical College Courses Transferable to Francis Marion University

TECHNICAL	COURSE TITLE	CREDITS	FMU
ACC 101	ACTG Prin I	3	ACTG 201
ACC 102	ACTG Prin II	3	ACTG 202

**Fulfills Life Span requirement for Pre-Nursing or FMU Nursing majors only.

SC TRAC

To gain a better understanding of what courses transfer to FMU from the South Carolina Technical Colleges or from many of the postsecondary institutions within South Carolina, we suggest using the South Carolina Transfer and Articulation Center (SC TRAC) Website. Creating a student account on this website will assist you in planning your transfer to FMU. Additionally, students who have a student account will be able to input courses directly into the system to generate an unofficial degree audit based on course equivalencies currently available on SC TRAC. This means that you will be able to see exactly how the coursework you have already completed or are in-progress with fit into the major(s) you are interested in pursuing at FMU. To set up an SC TRAC student account, please visit the SC TRAC website at <https://www.sctrac.org>.

Advanced Placement Credit

Advanced placement credit can be earned through the College Entrance Board Advancement Placement Exams, CLEP exams, International Baccalaureate (IB) exams and through placement exams offered by FMU. Francis Marion University may accept a total of 30 hours of advanced placement credit. A student may not take a course for which he/she has previously earned advanced placement credit. Students may audit such courses with the permission of the instructor and the appropriate academic chair/dean.

College Entrance Board Advanced Placement

Students who have taken advanced placement tests through the College Entrance Examination Board Advanced Placement Program and who score satisfactorily may obtain college credit. The score necessary for credit for a particular course is determined cooperatively by the appropriate department or school and the Registrar. Students must request that their scores be sent to Francis Marion University c/o the Office of Counseling and Testing. Advanced Placement scores obtained during high school are usually received at FMU in mid-July. The chart below lists scores required to receive credit in the AP program:

College Board

AP Examinations	Score	Course Exempted	Credits
Art History	3, 4, 5	Art 101	3

College Level Examination Program (CLEP)

The University awards credit for satisfactory scores on many of the Subject Examinations offered through the CLEP program. Only freshman and sophomore students are eligible to take CLEP exams without prior permission from a department chair or school dean. Juniors and students who have attained senior standing may attempt CLEP exams but first must obtain written permission from the department chair or dean of the school of the discipline in which a particular exam is offered. Normally, seniors during the semester prior to their graduation will not be allowed to attempt CLEP exams. No graduating senior will be allowed to attempt CLEP exams after the deadline for applying for graduation. CLEP exams can be taken at the Office of Counseling and Testing at FMU (843-661-1840). The following chart lists scores required for credit in the CLEP Program.

CLEP Exam	Score	Course allowed toward degree	Credits
American Govt.	50	Pol. Sci. 101	3
American Literature	50	Lit. 200 Elective	3
Analyzing & Interpreting Literature	50	Lit. 200 Elective	3

International Baccalaureate

To assist you in reaching your academic goals, FMU awards college course credit for satisfactory scores on higher level International Baccalaureate (IB) examinations. Students who have completed courses and the tests in the International Baccalaureate Program must have their scores sent to the Office of Counseling and Testing at FMU for evaluation. The chart below lists scores required for credit in the I. B. program.

IB Exam	Higher Level	Score	Course allowed toward degree	Credits
Biology		4	Biology 104	4
Biology		5	Biology 105	4
Biology		6, 7	Biology 105, 106	8

Francis Marion University follows all federal and state laws banning discrimination in public institutions of higher learning. Francis Marion adheres to all Title IX policies, and does not discriminate on the basis of race, color, sex, religion, ethnicity, national origin, age, sexual orientation, gender identity, veteran status or any other protected category under applicable local, state, or federal law. General questions regarding Title IX can be directed to the Office of Civil Rights (www.ed.gov/ocr). Specific questions may be referred to the University's Title IX Coordinator (titleixcoordinator@fmarion.edu).
