Undergraduate Admissions Procedures

Admission to FMU is on a rolling basis. Students are encouraged to apply early to take full advantage of financial assistance and scholarship deadlines. After all admission information is received, every effort will be made to notify applicants of their

admission status within two weeks.

Freshman students must submit:

- An application for admission with the application fee.
- Official transcripts of high school work--You need 19 units of high school core courses to be admitted (4 units of English; 4 units of math; 3 units of laboratory science; 2 units of same foreign language; 3 units of social studies, including 1 unit of U.S. History; 1 unit of physical education or ROTC; 1 unit of fine arts, and 1 academic elective). In evaluating an application for admission, the university will consider high school record, SAT or ACT scores, recommendations and extracurricular activities.
- Official score report from the SAT or the ACT Program. For SAT and ACT test dates, contact the FMU Office of Admissions, your high school guidance office or the College Board. FMU offers an Institutional SAT (ISAT) or ACT by appointment. Call for details.

Transfer Students – Applicants with fewer than 22 transferable college credit hours must submit the information required for freshman applicants (see above) as well as official college transcripts. Students with 22 or more transferable college credit hours should submit official transcripts from all colleges attended and an application for admission along with the application fee.

Transient Students – If you are planning to apply credits earned at FMU to a degree at another institution, you must complete the application for admission. The dean or registrar of the institution to which credits are to be transferred must approve the courses that are to be taken at FMU. You will not be allowed to register as a transient student until written approval from the institution to which credits are to be transferred has been received by the Office of Admissions at Francis Marion University.

Readmits – If you have previously attended FMU and were not enrolled during the previous regular semester, you should contact the Office of Admissions to reapply for admission.

Second-Degree – If you have previously earned a baccalaureate degree (unclassified students) and wish to take undergraduate courses at Francis Marion University, you should complete the undergraduate application for admission. Positive proof of graduation (a copy of diploma or a transcript stating completion of degree work) is required.

Housing Information

Housing information for NEW STUDENTS is mailed to you with your acceptance letter. Your acceptance to FMU must be finalized before you apply for housing. Housing applications for continuing students may be obtained from the Housing Office. If you

have questions, please call the Housing Office at 843-661-1330. **Housing fees must be paid in full by Aug. 7.**

New Students: Registration

Please note that prior to registering, all new students MUST:

1. Complete immunization records – The immunization form you received with your acceptance letter must be completed prior to registration. If you have questions about this process or need a new form, please call the Admissions Office at 843-661-1231 or 1-800-368-7551.

2. Attend Orientation – Orientation is required for all new freshmen and transfer students. It's a great way to meet new friends, and register for classes. You'll have a chance to meet with your adviser and register online through the Patriot Portal. We've scheduled seven Orientation Sessions (one requires an overnight stay) so that you and your parents can begin your educational experience at FMU. We'll mail more information about Orientation to you later.

3. Registration and Tuition Payment

After being admitted, you will be referred to the department of your major, where you will register for classes. It is important to remember that your registration is not complete until your balance is paid and classes confirmed through the Cashier's Office or the Patriot Portal. Your classes will be dropped if your bill is not confirmed by the payment deadline.

Late Spring

Registration: Monday, May 6

Classes Begin: Tuesday, May 7

Summer I

Registration: Monday, May 27

Classes Begin: Tuesday, May 28

Summer II

Registration: Monday, July 8

Classes Begin: Tuesday, July 9

Fee payment is due at the time of registration.

Exceptions:

Physician Assistant Studies Classes: April 30

Speech Language Pathology Classes: May 29

4. Confirming Your Enrollment

We try to make bill payment and applying your financial assistance easy by giving you several options.

Patriot Portal: You may pay and/or confirm your enrollment via the Patriot Portal after you have completed your schedule. Select "Financial Information" in the Patriot

Portal, continue to "Student Account Summary" and select "Make A Payment." If you have financial assistance to cover all charges, you need only to apply your aid. If you owe a balance, you may pay it with VISA, MasterCard, Discover or American Express. Financial Assistance is also viewable in the Patriot Portal.

- Vehicle Registration is \$20 and can be paid via Patriot Marketplace, which can be found under the "Current Students" tab on the FMU webpage. You will need the vehicle make, model, and license tag number to complete the registration. Once processed, it generally takes 5-10 days to receive your decal in the mail, if requested, or you may pick it up in the Cashier's Office.

- Debit Plan (\$5 minimum) or Patriot Bucks (\$300 minimum)

The amount of funds you designate will be placed in a declining balance account with our dining service provider. You will access these funds with your FMU card.

Walk-In: You can bring the bill, along with your payment, to the Cashier's Office. Checks should be made payable to Francis Marion University.

Mail-In: You may print out the bill from the Patriot Portal and mail it in, along with your payment, to the Cashier's Office. Checks should be made payable to Francis Marion University.

Remember, to ensure that your schedule is not canceled, you must do one of the above three options by the payment deadline.

NOTE: If you have enough available financial assistance to pay all of your University's charges, your available aid will automatically be used to confirm your classes for the semester. An email will be sent to your FMU gmail account to notify you that your aid was used to confirm your classes. Please review your student account in the Patriot Portal for a complete listing of your financial transactions. If you decide later that you will not be attending FMU for the semester, you must notify the Registrar's Office to withdraw you from your classes.

- Complete your financial assistance requirements and the housing application process as soon as possible.
- Routinely check your FMU gmail account. We use this account to communicate with you about your student account, registration, change checks, refund checks, upcoming deadlines, etc.

Continuing Students & Priority Registration

If you are a continuing student, you get to pre-register by class status. Before meeting with your adviser, complete a tentative schedule (using this course listing, the academic catalog, and the course listing in the Patriot Portal). Make an appointment with your adviser to be cleared for web registration. After you are cleared for web registration, you may access the Patriot Portal for students via the Internet (www.fmarion.edu) from on-campus computer labs, from your home computer, or the Ellucian Go App. If you do not know who your adviser is, contact the department of your major.

Pre-registration dates:

Returning Seniors may begin registering on the web May 20, 2019

Returning Juniors may begin registering on the web May 22, 2019

Returning Sophomores may begin registering on the web May 26, 2019

Returning Freshmen may begin registering on the web May 28, 2019

Your adviser must clear you for web registration before you can register in the Patriot Portal.

Payment Dates:

Late Spring Classes: April 29

Summer I Classes: May 20

Summer II Classes: July 2

Speech Language Pathology Classes: May 22

Physician Assistant Classes: April 23

If you register on or after the payment due date, payment is due the same day.

Register Online!

As an FMU student, you may register online via the Internet from any campus computer lab, home computer or the Ellucian Go App as soon as your adviser clears you for web registration. You may access the Patriot Portal for students from the FMU home page (www.fmarion.edu) to register for classes..

Continuing Students: Fee Payment

If you pre-register, your bill will appear in the Patriot Portal in early July. We try to make bill payment and applying your financial assistance easy by giving you several options:

Patriot Portal: You may pay and confirm your enrollment via the web. After you have

completed your schedule, go to the Patriot Portal and select "Student Finance". You may pay it with VISA, MasterCard, or Discover.

The following items may be added to your account on Marketplace website.

- Vehicle Registration \$20 -You will need the vehicle make, model, and license tag number to complete the registration. Once processed, it generally takes 5-10 days to receive your decal in the mail.
- Debit Plan (\$5 Minimum) or Patriot Bucks (\$300 Minimum)
The amount of funds you designate will be placed in a declining balance account with our dining service provider. You will access these funds with your FMU card.

Walk-In: You can bring the bill, along with your payment, to the Cashier's Office.

Checks should be made payable to Francis Marion University.

Remember, to ensure that your schedule is not canceled, payment must be received by the stated deadlines.

Refunds

The application fee is nonrefundable. Basic University Fees are refundable for full-time and part-time students. Please refer to the FMU Accounting webpage, or the "Student Financial Services/Cashier" section of the Patriot Portal for current refund dates.

An administrative fee equal to five percent of \$100 will be withheld from the refund after the 100 percent refund period.

Certain fees are nonrefundable and are so noted. No refunds are allowed because of irregularity in attendance of classes. Refunds are held pending the settlement of current obligations payable to the university.

Because of requirements associated with the return of federal student aid funds, students who receive federal financial assistance and completely withdraw from the university during a refund period may still owe the university.

An appeals process exists for students or parents who believe that individual circumstances warrant exceptions from published policy.

Appeals must be in writing and are processed by the University's Withdrawal Appeals Committee. Address appeals to the Withdrawal Appeals Committee, Office of the Registrar, Francis Marion University, PO Box 100547, Florence, SC 29502-0547.

All request for refunds must be made during the academic year for which the fees were paid.

The academic year begins with Summer II term and ends with Summer I term. The decision of the Withdrawal Appeals Committee is final.

Housing and Dining refunds are administered under a separate policy than general fees and tuition. All Dining and Housing refund requests must be made in the academic semester for which fees are paid. The Housing and Dining Policy can be viewed on the web at www.fmarion.edu/about/fees. FMU ID Card (University Debit Account) refunds may only be requested upon graduation or official withdrawal from the university. For information on the FMU ID card as the FMU Debit/Patriot card, refer to the student usage agreement on the Accounting webpage.

Refunds are directly deposited into the student's designated bank account on record.

Circumstances may warrant the assessment of a reinstatement fee for the purpose of academic reinstatement.

Applying for Financial Assistance

The 2018-2019 FAFSA (Free Application for Federal Student Aid) should be completed at www.fafsa.ed.gov AS SOON AS POSSIBLE. A FAFSA may be completed regardless of a student's admission or registration status. Be sure to list FMU's institutional code (009226) in the appropriate section of the FAFSA.

Students must reapply for Financial Assistance every academic year.

For more information, visit www.fmarion.edu, check your Patriot Portal, or call the Financial Assistance Office at 843-661-1190.
