

INTRODUCING THE PATRIOT PORTAL

The path to becoming an FMU student and a member of the Patriot community starts with the Patriot Portal.

The Patriot Portal, a cloud-based space that provides secure access to important information for students, faculty and staff at Francis Marion University. The information available to each user is specific to that user. Faculty and staff will use the Portal to complete a number of tasks related to the business of the university, and to access information related to their employment.

For FMU students, the Patriot Portal provides you with access to information about financial aid, class registration, housing; links to commonly used FMU websites; and much more. Additional information, specific to you, will arrive through announcements and notices of coming events.

Students gain access to the Patriot Portal by using the existing username and password associated with their FMU G-mail account.

For security's sake, initial access to the Patriot Portal is a two-step process. Once complete, students can access both their FMU G-Mail account and the Patriot Portal using the same username and password.
