There's no better way to find out about FMU than to visit our beautiful campus and meet the faculty and staff. During the Fall and Spring semesters, the Admissions Office is open Monday through Friday from 8:30 am to 5 pm. Please call 843-661-1231 or 1-800-368-7551 to schedule a tour.

UNDERGRADUATE ADMISSIONS PROCEDURES

Admission to FMU is on a rolling basis. Students are encouraged to apply early to take full advantage of financial assistance and scholarship deadlines. After all admission information is received, every effort will be made to notify applicants of their admission status within two weeks.

Freshman students must submit:

- An application for admission with the application fee.
- Official transcripts of high school work–You need 19 units of high school core courses to be admitted (4 units of English; 4 units of math; 3 units of laboratory science; 2 units of same foreign language; 3 units of social studies, including 1 unit of U.S. History; 1 unit of physical education or ROTC; 1 unit of fine arts, and 1 academic elective). In evaluating an application for admission, the university will consider high school record, SAT or ACT scores, recommendations and extracurricular activities.
- Official score report from the SAT or the ACT Program. For SAT and ACT test dates, contact the FMU Office of Admissions, your high school guidance office or the College Board. FMU offers an Institutional SAT (ISAT) or ACT by appointment. Call for details.

***FMU has waived SAT and ACT scores for the 2022-23 school year.**

Transfer Students – Applicants with fewer than 22 transferable college credit hours must submit the information required for freshman applicants (see above) as well as official college transcripts. Students with 22 or more transferable college credit hours should submit official transcripts from all colleges attended and an application for admission along with the application fee.

Transient Students – If you are planning to apply credits earned at FMU to a degree at another institution, you must complete the application for admission. The dean or registrar of the institution to which credits are to be transferred must approve the courses that are to be taken at FMU. You will not be allowed to register as a transient student until written approval from the institution to which credits are to be transferred has been received by the Office of Admissions at Francis Marion University.

Readmits – If you have previously attended FMU and were not enrolled during the previous regular semester, you should contact the Office of Admissions to reapply for admission.

Second-Degree – If you have previously earned a baccalaureate degree (unclassified students) and wish to take undergraduate courses at Francis Marion University, you should complete the undergraduate application for admission. Positive proof of graduation (a copy of diploma or a transcript stating completion of degree work) is required.

Once processed, it generally takes 5-10 days to receive your decal in the mail, if requested, or you may pick it up in the Cashier's Office.

Debit Plan ($5 minimum) or Patriot Bucks ($300 minimum)
The amount of funds you designate will be placed in a declining balance account with our dining service provider. You will access these funds with your FMU card.

Remember, to ensure that your schedule is not canceled, you must do one of the above three options by the payment deadline of **Dec. 14.**

NOTE: If you have enough available financial assistance to pay all of your University's charges, your available aid will automatically be used to confirm your classes for the semester. An email will be sent to your FMU gmail account to notify you that your aid was used to confirm your classes. Please review your student account in the Patriot Portal for a complete listing of your financial transactions. If you decide later that you will not be attending FMU for the semester, you must notify the Registrar's Office to withdraw you from your classes.

CONTINUING STUDENTS: REGISTRATION

REFUNDS

The application fee is nonrefundable. Basic University Fees are refundable for full-time and part-time students. Please refer to the FMU Accounting webpage, or the "Student Financial Services/Cashier" section of the Patriot Portal for current refund dates.

An administrative fee of $100 will be withheld from the refund after the 100 percent refund period. Refunds are computed from the date of official withdrawal from the university.
No refunds are made for full-time students dropping courses and not withdrawing from the university, unless by dropping courses a student's enrollment status drops below 10 hours. Fees are refundable for part-time students officially dropping courses without withdrawing from the university.

Certain fees are nonrefundable and are so noted. No refunds are allowed because of irregularity in attendance of classes. Refunds are held pending the settlement of current obligations payable to the university.

Because of requirements associated with the return of federal student aid funds, students who receive federal financial assistance and completely withdraw from the university during a refund period may still owe the university.

An appeals process exists for students or parents who believe that individual circumstances warrant exceptions from published policy.

Appeals must be in writing and are processed by the University's Withdrawal Appeals Committee. Address appeals to the Withdrawal Appeals Committee, Office of the Registrar, Francis Marion University, PO Box 100547, Florence, SC 29502-0547.

All requests for refunds must be made during the academic year for which the fees were paid. The academic year begins with Summer II term and ends with Summer I term. The decision of the Withdrawal Appeals Committee is final.

Housing and Dining refunds are administered under a separate policy than general fees and tuition. All Dining and Housing refund requests must be made in the academic semester for which fees are paid. The Housing and Dining Policy can be viewed on the web at www.fmarion.edu/about/fees. FMU ID Card (University Debit Account) refunds may only be requested upon graduation or official withdrawal from the university. For information on the FMU ID card as the FMU Debit/Patriot card, refer to the student usage agreement at www.fmarion.edu/about/fees.

Refunds are directly deposited into the student's designated bank account on record.
Circumstances may warrant the assessment of a reinstatement fee for the purpose of academic reinstatement.

APPLYING FOR FINANCIAL ASSISTANCE

The 2022-2023 FAFSA (Free Application for Federal Student Aid) should be completed at www.fafsa.ed.gov AS SOON AS POSSIBLE. A FAFSA may be completed regardless of a student's admission or registration status. Be sure to list FMU's institutional code (009226) in the appropriate section of the FAFSA.

Students must reapply for Financial Assistance every academic year. For more information, visit www.fmarion.edu or call the Financial Assistance Office at 843-661-1190.

POLICIES & REGULATIONS

Student Handbook and University Catalog

Each year, the Student Handbook is made available to all students. The Handbook contains a complete list of student rights and responsibilities, rules and regulations, and calendars and dates. The Handbook and the University Catalog are invaluable resources in your quest to be a successful student at FMU. Handbooks are online under the "Current Students" tab on the FMU website. Catalogs are available in the Admissions Office or online at www.fmarion.edu/academics/catalogs.

FMU ID Card (University Debit Account)

Lost cards should be reported immediately to the FMU Card Administrator, located in the Cashier's Office (Ext. 1320); Ervin Dining Hall (Ext. 1266); Library (Ext 1300); or Student Affairs (Ext. 1182) since this card may carry the liability of a bank debit card and is not transferable. Late charge (after initial registration) or replacement cost which is nonrefundable. The fee will be waived in the case of marriage,

a name change, or a defective card. A refund of funds placed on the FMU ID Card (debit account) may only be requested upon graduation or official withdrawal from the University. Requests should be submitted to the Accounting Office, Stokes Administration Building, Room 103.

Parking Permits

All students are allowed to have a vehicle on campus. You must register the vehicle and purchase a parking decal. Decals run from fall to fall. Even if you purchase a decal in the spring semester, you must purchase a new one in the fall of each year. Vehicles may be registered in the Cashier's Office during the semester. If you live on campus, you must have a Residential parking decal, designated with an R, which will allow you to park in housing area lots. You should obtain the university Traffic Regulations Manual from the Cashier's Office, Campus Police, or the University website.This booklet contains important information about vehicle registration, parking, and traffic safety.

Honors Courses

Honors courses are open to students with superior academic records by invitation only from the Honors Committee. For more information, contact Dr. Jon Tuttle, director of the Honors Program, at 843-661-1521.

Grade Reports

At the end of each semester, grade reports will be made available to students in the Patriot Portal. Call the Registrar's Office if you have questions about your grades.

Withdrawal from a Course or the University

If you want to drop a course, you should obtain the necessary form from the Registrar's Office or in your academic department, complete the form, have it signed by the appropriate people, and then turn it into the Registrar's Office. Forms for complete withdrawal from the university are only available in the Registrar's Office.

Class Attendance Policy

It is your responsibility to attend all scheduled meetings in the courses in which you are enrolled. If you are absent more than twice the number of required class or laboratory sessions per week during regular semesters or more than 15 percent of required sessions during accelerated semesters, a grade of F or W will normally be assigned, unless the instructor has excused the absences.

Individual instructors may choose alternative requirements for attendance. It is the instructor's responsibility to inform students, at the beginning of each course, of all attendance policies. The instructor, at his/her discretion, may utilize a warning of excessive absences or required attendance. Attendance policies will be outlined on the course syllabus.

It is your responsibility to understand at the beginning of each course the instructor's policy on missing classes, announced tests, and laboratory sessions. If you violate the stated attendance policy, the instructor will notify the Registrar's Office to drop you from the class with the appropriate grade. It is your responsibility to make up work missed because of absence from announced tests and laboratory sessions. However, announced tests and laboratory sessions may be made up only at the discretion of the instructor.

Disclosure of Directory Information

The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, permits the release of "directory information" about a student without a student's consent. FMU has designated the following items as directory information: student's name, enrollment status, address, FMU email, telephone listing, date and place of birth, photograph, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous educational institution attended, and eligibility for honor societies. Directory information may be published in a campus directory and other university publications and may be released to the mass media for publication (for example, Dean's List, President's List, commencement list, etc.). Students have the right to request that this information not be disclosed by completing a Request of Non-Disclosure form, available in the Registrar's Office, by the end of the drop/add period for each academic term. A request for non-disclosure prohibits the University from releasing the student's name and other information for purposes for which the student may wish to be recognized (for example, announcements of scholarship awards and other honors, notices of commencement exercises, induction into honor societies, participation in university activities, etc.). After a request for non-disclosure has been made, the university is NOT responsible for obtaining subsequent permission from the student to release the information for special circumstances as described above.FMU's FERPA Policy is posted on the Registrar's webpage at www.fmarion.edu/registrar.

Use of Social Security Number

The Privacy Act of 1974 (US Public Law 93-579, Sect.7) requires that we notify you that disclosure of your Social Security Number (SSN) is voluntary. You should know that FMU uses the SSN for federal identification. Your official transcript will only display the last four digits of your SSN.

Services for Students with Disabilities

Effort will be made to ensure that classes offered will be accessible to individuals with disabilities. If you plan to enroll and need assistance relating to a disability, contact the Office of Counseling and Testing (843-661-1840) at least 10 days prior to the beginning of the semester.

Equal Opportunity
