

CAMPUS SAFETY IS EVERYONE'S RESPONSIBILITY

We can keep our campus safe by caring about what happens in our community setting.

- Be Observant of Surroundings
 - Be Caring Towards Others
 - Be Responsible
 - Be Informed

In the event of an unwanted sexual experience, we are here to support you. Students may seek interim protective measures for sexual harassment, stalking, and sexual relationship violence.

**For more information about resources, services, or reporting, contact
Francis Marion Title IX
Coordinator:**

Dr. Charlene Wages
