Table 7 Program Graduates: Internship and Dissertation/Final Project

Self-Study Standard II.D.2.a-b

Instructions: Provide the following information for each student who has ***GRADUATED*** from your program in the last ***ten (10)*** years. Students are listed by ARO identification numbers (not by name) in the data table online. Records are in chronological order with most recent graduates first. An asterisk (*) by the ID number indicates a particular student was admitted as a respecialization student. Some fields in the online data table are automatically filled in by ARO data. Feel free to cut/paste these data into the required Table 7 upload, and add the additional information required. Do not include student names in self-study tables. Please label upload as - TABLE 7 Program Graduates Internship and Dissertation_Final Project
